SIGNATURE \_\_\_\_\_

(not required for children less than 18 years old)

What does Householding mean: your HEFCU accounts are linked so that each of you might enjoy greater HEFCU rewards when the account balances are treated jointly rather than individually.

Note: your HEFCU accounts are linked simply for the purpose of HEFCU Rewards. Each member will continue to receive separate account statements. Members will have access to only their own accounts in the household.

Eligibility: members that want to link their HEFCU accounts must have the same address.
